Philadelphia, PA

Conference Evaluation

Please answer the following:

Question #1

How would you rate the quality of the presentations?

1

2

3

4

5

Very Poor

Excellent

Question #2

What topics would you like to see at future regional conferences?

We need more practical information. Possible information
of the research on the current hot topics.

Question #3

How would you rate the overall conference?

1

2

3

4

5

Very Poor

Excellent

Question #4

Would you attend other conferences like this in the future?

Yes

No

Question #5

Would you recommend this conference to others?

Yes

No

Comments: The first day was just useless. Some of the
presenters were not helpful or gave bad or poor
information. The presenters from Philly were truly
the best. They could have done the conference
themselves.

Yes
 No

Comments:

Although the social media presentation and technology presentation was relevant in some aspects of the prosecution of child abuse cases it appeared to more generally apply to other types of crimes.

We deal frequently w/ social media and messaging sites and programs and more information on that and less on cell tower, general cell phone and computer technology would be helpful.
